

INTRODUCTION IN DISABILITY CARE

Description

This training is best suitable for those who are job seekers, career changers or people who are looking to develop new skills without committing to undertaking a full qualification. Join our free *“Introduction in Disability Care”* course for the essential knowledge to kickstart your careers in aged and disability care.

The Target Group

- Jobseekers, including people who are currently employed who need skills training to obtain a job in a new industry/occupation
- People with a disability and their dependents
- Long term unemployed
- Commonwealth welfare recipients and their dependents
- People experiencing or having experienced domestic and family violence and their dependents
- Refugee and Asylum seekers and their partners
- Young people seeking to do pre-apprenticeship or pre-traineeship training in order to obtain an apprenticeship or traineeship
- People seeking pre-employment support and/or extra learning support (i.e. foundation skills training).

Eligibilities

- You must meet the following criteria to be eligible for Smart and Skilled funding:
- First Nations People or Australian citizen or permanent Australian resident or New Zealand citizen, or Humanitarian, partner, bridging, and refugee visa holders; and
- aged 17 years or older (no longer in secondary education – except for registered home school students), and
- left school, and
- live or work in New South Wales (or a defined NSW border)

Job Opportunities

All individual students are offered the opportunity to apply for RPL, please see the Student Handbook

or enquire us for the procedure on how to apply
